Florida Flights Returns to Atlantic City International Airport Offering
Convenient, Non-Stop Flights to Fort Lauderdale

Atlantic City, NJ (October 31, 2011) - Go Pack, They're back! After a 20-year hiatus, Gold Transportation's **Florida Flights**, Atlantic City's original non-stop jet service to Fort Lauderdale, returns to Atlantic City International Airport (ACY) offering customers a convenient and hassle-free way to escape the cold this winter and enjoy the warm, Florida sun.

Initially introduced in the 1980's, **Florida Flights** was the first jet service to take advantage of how convenient **Atlantic City International Airport** is to South Jersey residents and began offering a non-stop flight to Florida. Now, back after all of these years, **Florida Flights** will be offering Thursday flights to Fort Lauderdale, returning on Mondays, beginning January 12th.

Pricing for the flights start at \$150 each way, which includes all taxes, fees and a complimentary in-flight lunch. The flights are available by booking online at FLYACY.com.

To celebrate the return of the program, Gold Transportation has partnered with **NBC 40** and *South Jersey's Greatest Hits* radio station, **KOOL 98.3**, to offer local residents the chance to win free tickets on the flights this winter.
