John Mock Show

to perform at the lighthouse

Tuesday, September 1st

Doors Open 6:30pm

John Mock is an artist and the sea and its coasts are his muse. From New England to Chincoteague to Ireland, the Atlantic's beautiful coastline and quaint villages, its wooden boats and whitewashed lighthouses, continue to inspire and inform John's art. He captures in music and in photographs the heritage of the sea.

Serving soft spirits and light refreshments

Proceeds benefit education programs at Absecon Lighthouse

Tickets are \$35 • RSVP, 609-449-1360
